Inasmuch as the Chapter 343 environmental requirements apply to Applicant's use of the lands, the Applicant shall be responsible for compliance with Chapter 343, HRS, as amended.

APPLICANT REQUIREMENTS:

Applicant shall be required to provide the map for any Land Court petition relating to this request. Staff notes map for other parcels under this request have been completed by State Survey Division.

REMARKS:

On October 27, 1989, item F-17, the Board had approved of a conveyance of State lands to the City and County of Honolulu for a road widening project. A copy of the approved submittal is attached as Exhibit B. The original request consisted of three parcels in fee simple conveyance and two easements for a portion of retaining wall and for sight distance purposes.

For reasons unknown to the staff, there is no record of any finalization relating to the 1989 approval. Staff understands the road project was completed and a proper land disposition is therefore required to document the respective jurisdictions.

Due to recent lawsuit regarding the conveyance of ceded land, staff recommends the Board authorize the issuance of a Governor's executive order to withdraw 1,298 square feet from Governor's Executive Order No. 2274; and upon such withdrawal, set aside the subject three (3) parcels together with two (2) easements to the City and County of Honolulu for road purposes.

The Department of Design and Construction and Department of Facility Maintenance have no objections/comments to the subject request. The agency under EO 2274, Hawaii State Public Library System, indicated no comments to the request at Exhibit C.

The Department of Health, State Historic Preservation Division, Commission on Water Resource Management, Department of Planning and Permitting, Board of Water Supply and Office of Hawaiian Affairs have not responded as of the suspense date of this request.

For housekeeping purpose, staff also recommends the Board rescind its prior action of October 17, 1989, item F-17. There are no other pertinent issues or concerns and staff has no objections to the request.

RECOMMENDATION: That the Board:

1. Rescind its prior action of October 27, 1989, Item F-17.
2. Approve of and recommend to the Governor issuance of an executive order withdrawing 1,298 square feet from the Governor's Executive Order No. 2274 and subject to the following:
  - A. The standard terms and conditions of the most current executive order form, as may be amended from time to time;
  - B. Disapproval by the Legislature by two-thirds vote of either the House of Representatives or the Senate or by a majority vote by both in any regular or special session next following the date of the setting aside;
  - C. Review and approval by the Department of the Attorney General; and
  - D. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.
3. Approve of and recommend to the Governor the issuance of an executive order setting aside the subject lands and easements to the City and County of Honolulu, for road purposes, under the terms and conditions cited above, which are by this reference incorporated herein and subject further to the following:
  - A. The standard terms and conditions of the most current executive order

form, as may be amended from time to time;

- B. Disapproval by the Legislature by two-thirds vote of either the House of Representatives or the Senate or by a majority vote by both in any regular or special session next following the date of the setting aside;
- C. Review and approval by the Department of the Attorney General; and
- D. Such other terms and conditions as may be prescribed by the Chairperson to best serve the interests of the State.
